

Legacy of Bellavista Order Form

On this special occasion of Bellavista School's 50th anniversary, a rose has been named to immortalise this event. The 'Legacy of Bellavista' is a gorgeous floribunda in bright orange depicting our children's 'View to a Brighter Future'.

Bushes will be on sale at R135.00 per bush, or an opening special offer for 6 or more at R120.00 per bush. Please indicated how many you will be purchasing and make the necessary payment to either the Parents Associations Bank account, referenced 'ROSE' and your surname, or the other avenues for payment offered, ie Snapscan or credit card payments may be made through the Uniform Shop.

This form together with the Proof of Payment can be left with Nellie and Percy in Reception. If Bellavista places the order with Ludwig's Roses by Monday, roses should be delivered by Friday of the same week.
