

Heads Up

- the nuts and bolts for the week -

No 3 : 12th February 2018

Dear Parents

Professor Venter

Professor Venter will be at Bellavista School from the 12th March until the 16th March 2018. Bookings are now open for Bellavista students only at this stage. Bookings will open up to external children on Wednesday 14th February. Please make your booking asap to ensure an appointment. Contact Heather on heather.allais@bellavistaschool.co.za or 011 788 5454.

Cricket:

The matches last week were against Yeshiva. Whilst it was a great game, both the Commonwealth and the Ter Horst teams lost their games. Cricket matches this week are against Hirsch Lyons.

Sport logistics

We are receiving many enquiries for the final time of a cricket match. Please note that in soccer and netball we can anticipate the time of the end of a game, but such is the game of cricket that we cannot. To ease your transport planning, anticipate a late afternoon (16h30 – 18h00) and either join your child to watch the end of the game or head to the school to wait the bus's return. We are launching a school app in the next few weeks which will assist with push notifications when the coaches wrap the day up.

Hearing and Eyetek Screening

Hearing and Vision screenings take place this week. Please ensure that you have returned your signed permission slip to the class teacher or therapist.

Planet Fitness

A short presentation to the children about fitness and wellbeing will take place on Friday 16th February during assembly.

Is there a future of our children in South Africa? #speakSAup

Join us for a light breakfast and world class inspiration with Dr Graeme Codrington this Thursday, 15 February, if you have ever asked yourself this question. Books are essential as places are limited: secretary@bellavistaschool.co.za

Website

If you haven't pinned the Bellavista School website tab yet, do so. There is a fair bit of information on our site that may be useful to you – a parent portal for previous reports, calendars and dates, uniform lists, technology recommendations to support your child etc., www.bellavista.org.za

Enjoy the week
