

# Heads Up

- the nuts and bolts for the week -

No 10 : 7<sup>th</sup> May 2018

Dear parents

## Appreciation

I am not sure how to thank all the parents and children for the fun, wishes and blessings expressed on the Bollywood birthday last Friday fully. Thank you for the dress up efforts all round, it was a feast for the eyes. We had a magical time in all the colour and bling. Thank you for all the kind regards and care, the cards and the beautiful gift from the families. I am honoured to be at this school and it was my delight to celebrate with all.

## App

Are you up and running with the calendar available on the Bellavista School app yet? On the app you can retrieve the calendar with details described, retrieve the QR code to use Snapscan for uniform orders. contact us with one click, check school times and follow the blog or Facebook news. We will start to use the app for push notifications instead of SMS in time.

## Cocurricular

The cocurricular timetable resumes tomorrow and the Gr3-7 children attend until 15h00, enjoying their various activities. We look forward to a busy netball and soccer season in particular. Please note that the open boys (Gr6 & 7) and netball girls change at second break into their sport specific uniform, and do not wear the kit throughout the day.

## Winter Uniform

From Monday 21 May the winter uniform dress code applies. Please see the website ([www.bellavista.org.za/uniforms](http://www.bellavista.org.za/uniforms)) for details. Until that date, the children can wear either summer or winter dress, but not a blend thereof.

## Tuck

Tuck starts tomorrow. To ensure prudent catering of hot foods, all orders for tuck should be placed with the class teacher the day prior; i.e., on a Monday morning, the teachers will take orders for Tuesday, and on a Wednesday morning, for Thursday. Please note this new routine.

## Bellavista S.H.A.R.E.

Next week, 15 May, Dr Tilly Mortimore from the UK is here to support South African parents and educators in managing and supporting adolescents with dyslexia. She is a treasure and an essential input if you have a child between the ages of 11 and 18 that is still getting through school with this or any other reading difficulty. Please consider attending if you can.

See <http://bellavistashare.org.za/index.php/en/events/conferences> for more detail and to book.

Enjoy the week  
Alison Scott

## Generation Sinai

15 May

This year at Generation Sinai we will be learning about the mitzvah of tzedakah together. Tzedakah stands at the heart of who we are as a community and is the source of abundant blessing.

Let's learn to give together.
