

# Heads Up

- the nuts and bolts for the week -

No 17 : 23<sup>rd</sup> July 2018

Dear parents

## Appreciation

Thank you to Mrs Hallendorff and her team for the wonderful Book Week experience last week. We had great fun exploring, writing and enjoying magical books and stories. Also, thank you to Mrs Behrens for the poignant Mandela Day reflections - the timeline of his life in protest placard format and the expressions of gratitude in the footsteps to mark his long walk to freedom reminded us all of Nelson Mandela's life, wisdom and vision. I would be remiss not to thank you as parents for your support in the week - arranging dress up outfits and also contributing shoes and socks to the Fight with Insight cause.

## Cocurricular activities

The u9, u10 and u12 boys have a final soccer match on 26 July 2018. Details are up on the app. If your child is playing, he should attend a practice on 24 July, with the coaches. All other cocurricular activities have ceased for the term. Please note that Robotics Club finishes this week, 27 July.

## Parent Feedback Meetings

Grade 4-7 reports will be made available on the portal for you to download and read ahead of your parent feedback meeting. Please be sure to confirm your appointment time and meeting venue with your child's class teacher. If your school fee account is not up to date, please contact Mrs Jacquet, the Bursar, to arrange the release of your child's report. Parents who pay termly or annually should check their statements and be sure to settle any incidental billings, please.

Enjoy the week
