Dear Parents

### Re: Assessment and report cycles in 2019

As we prepare for our termly round table parent feedback meeting with yourselves later this term, of which you will receive notification in due course, please be aware of the following:

The report cycles each year run as follows:

#### Grades R – 5

March/ April:	Oral Feedback Report
June:	Mid Year Written Report and Verbal Feedback
November:	Year End Written report and Verbal Feedback
All therapy assessment reports are scheduled and prepared annually as per the anniversary of such a previous assessment for your child, where relevant.	

#### Grades 6 – 7

March/ April:	Written Report and Verbal Feedback
July/ August:	Written Report and Verbal Feedback
November:	Written Report and Verbal Feedback
All therapy assessment reports are scheduled and prepared annually as per the anniversary of such a previous assessment for your child, where relevant.	

Parent Conferences are held with you at each reporting time and include the educators and therapists involved in your child's team. They will meet with you to discuss your child's progress. This report ahead in March/ April is an opportunity to discuss how your child has settled into the new grade, adapted socially and emotionally, responded to the therapy intervention and progressed against the curriculum demands to date. Parent interview dates will be arranged with you directly and run during the course of the day through to the late afternoon/ early evening.

We look forward to meeting with you at this time.

Yours sincerely

Miriam Wilder  
Dean of School

Executive Principal
