No 6: 11th March 2019

Dear Parents

Thank you for your wonderful support of our Sport's day. The children's enthusiasm and excitement was palpable both prior to and on the day and was enjoyed by all in good spirit.

Thank you to the Grade One and Grade Two Parents who provided us with appetising fare.

Sport Fixture Results - cricket:

Bellavista vs Hirsch Lyons

Commonwealth team – Bellavista lost. Man of the match was Jamie Cikes for his bowling performance.

Parent-Connect

Thank you to the parents and staff who attended the panel discussion hosted this past week on 'Parenting Tweens in the Cyber Age'. Hennie Vorster, Alison Scott, Luke Lamprecht and Dr Linda Kelly's collective knowledge, insight and understanding of the socio-emotional, physiological, neurological and educational components involved in navigating this world with your children was thought provoking, informative and brought to the fore the necessity to actively engage your children on this journey.

The cognitive, emotional and social profile of learners with ASD will be discussed. We will explore how girls and boys on the spectrum present differently to one another and how schools, health professionals and parents are able to collaboratively support ASD learners within the school environment.
