

HEADS UP

SCHOOL | S.E.E.K. | S.H.A.R.E.

Reports

Grades 6-7 parent feedbacks follow in the next few weeks. Arrangements will be shared with by the class teachers.

Welcome

A special welcome to Mr Sizwe Sibiya, longstanding friend of Bellavista School, who joins professional staff team. Mr Sibiya will be introduced to the children in grades 5-7 over the next few weeks. We look forward to his expertise and energy on our team.

Also welcome to Mrs Tracy Moyo who begins her internship as an ECD Educator this month. Tracy is based in the Grade R class and the children here will get to know her well!

Fun Zone

The Grade Sevens had initiated and set up a Gaming Club, under the watchful eye of Mr Doyle, IT Manager. They meet each Wednesday at 13h30. Grade Sevens keen to join can contact Joshua Lipschitz to get the details.

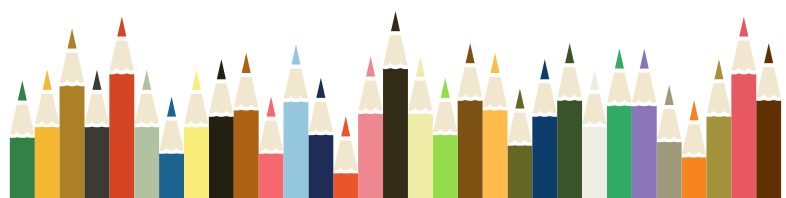

Reintegration onto the campus

Please see Covid Comms 12 July 2021, which confirms our understanding that schools will reopen in-person on 26 July 2021.

Community Health

The majority of our staff took up the offer of a vaccination school staff. Several teachers, parents and children have contracted the virus in the last two weeks, some falling quite unwell, but they are recovering and we wish them a return to full health. Tragically, in the period 5th -12th July, two grandparents of our children passed away from complications of Covid-19. We received a further six reports of tragic loss amongst our colleagues in education and in immediate social circles. There is an air of deep sadness about. Our condolences are extended to all those who are grieving. Strength and courage to you.

Open Week

We would love to see you more. We were all set for our class-by-class open weeks, but sensibly, these are likely postponed until the new term.

I'd say 'enjoy the week' but it's likely to be another tough one!

Sincerely

Alison M Scott (Mrs)
Executive Principal
