## Dear parents

The cacophony of noise about the school today was just wonderful – happy, busy children soaking in each other’s presence. Thank you for bringing them. For those who cannot be on site, it is not long until Spring and we can’t wait to see you!

We would like the children to unhook from scholastic work entirely this holiday. Like adults, they need full rest too. Where you can, try to steer them away from screens. Now is the time to build forts, make mud, watch insects, draw, bake, wash the car, groom the dog! To assist you with some ideas, we have approached our coaches and also external providers known to us for some holiday clubs. Attached are flyers for your information.

Please note the following:

**Bootcamps for sport** are facilitated by our coaches. They know the children. There is no charge, but if you commit, you have to attend, as places are limited in order for us to keep all health and safety protocols. We will take work on a first come first served basis. Ashley Button is the coordinator and can respond to your questions: [Ashley.button@bellavistaschool.co.za](mailto:Ashley.button@bellavistaschool.co.za). To sign up for the sport, you must complete the form here: <https://forms.gle/LEAkyjb6bUT4xDog6>

**Lego Robotics, Touch Typing and Performing Arts** holiday clubs are run by external providers who have a fee to cover their costs and make it worthwhile for them. All dealings must be with these providers directly. Their flyers are attached and their contact details as well as banking details are included on these. Again, places are limited and it will be first come first

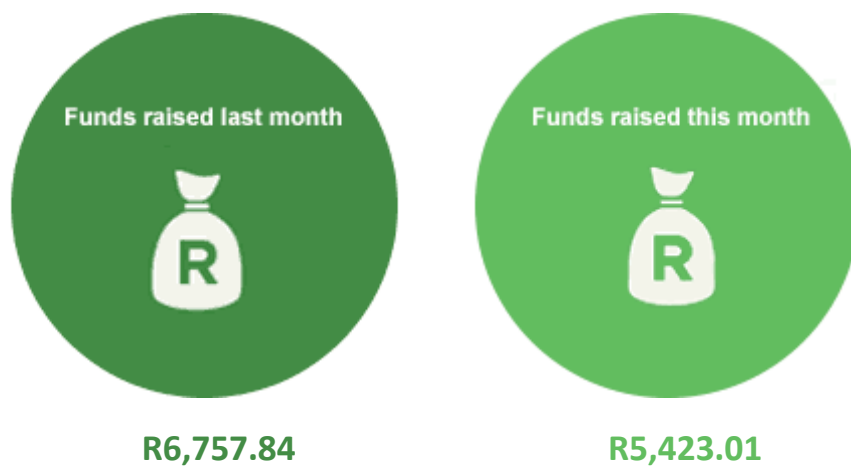

served basis so that they can keep protocols too. The providers are all well known to Bellavista School; they have all done work here, but no staff member will be overseeing the schedule in August etc.

On Friday, we will close out the term with our term end assemblies. Close of day is 10h00, with all to be collected by 10h15 please.

Enjoy the week!
